Chairmans Report

"It has been gratifying to see that the Village Hall has again been used by many various local clubs and organisations, as well as providing the means for the community to hold many private events over the last 12 months.

At the beginning of May the committee received notification that Mrs Krys Holbrook, the Village Hall Booking Secretary of long standing would not seek re-election at this years' AGM.

On behalf of the Committee, past and present, I wish to record our sincere thanks and gratitude to Mrs Holbrook for all the work she has undertaken. I as chairman recognise that she has carried out duties over and above her role as booking Secretary, ensuring the continued success of the Village Hall. We wish her continued good health for many years to come.

Mrs Stephanie Bradbury has agreed to become the Booking Secretary as from November 2022.

I would also like to thank Mr Geof Corbett, Mr Peter Dixon and Mr Doug Newton for their continued support through the year, carrying out various tasks to enable the continued smooth running of the Hall and also the other Committee members who have supported these three gentlemen. My thanks to Mrs Barbara Tudor who has kept the financial records so professionally and to Mrs Ella Jones who has kept the Village Hall website up to date. Mr Dixon has continued to be responsible for the running of the 100 Club and I do thank him for all the work he has completed in this role.

I look forward to a further year of success at The Village Hall.

Thank you all for your continued support."

Treasurers Report. The treasurer submitted the Annual report to the chairman, which was accepted. Our financial situation is satisfactory. The receipts exceed expenses by £1528.92 so I am pleased to report that we are still in a healthy position.

100 Club Report.

The number of participants has shown a steady decline and now stands at 52. Recent publicity efforts have had little success so this coming year will show a contribution to hall funds of £600. It is worth noting at this stage that even this figure is significant as it morally allows us to apply for grants (when available) from other sources/organisations.
